

SUN & MOON

By: Breana N. Greene

EXT. SKY - NIGHT

Dark navy blue sky. Big blue puffy clouds.

Relaxed, MOON (celestial teenager, peaceful and happy) lays on a large cloud looking at the full moon above him. He lifts his hand up and moves it, causing the full moon to follow him. He smiles as he plays with it.

Moon turns his head and sees a bright light coming from the side of him. He turns completely around and peaks over his cloud to see what's going on.

EXT. MIDDLE OF NOWHERE - NIGHT

Green grass cover the landscape. Quiet area where a large view of the sky is seen.

Suddenly the sun begins to come up from the bottom, far away on the other side.

EXT. SKY - NIGHT

Moon gets excited and lifts his arm up in the air.

FLASH!

A blue spyglass appears and Moon grabs it. He looks in it and sees SUN (celestial teenager, calm and kind) holding her hands together. From Moon's view, Sun looks at him and smiles.

From far away The young bright celestial teenager flies up into the deep blue sky. She lifts her hand.

FLASH!

A yellow spyglass appears and Sun grabs it. She looks into it to see Moon. She waves at him.

An excited Moon flies up to be on the same level as Sun. He claps his hands together. A bright white bluish light appears from Moon's hands. Moon prepares to lift his hand up.

SWOOSH!

A shooting white star flies up and brightens the night sky. Sun is amazed by it's beauty.

Sun reciprocates the feeling by moving her hand back.

SWISH!

A wave of sunlight hits Moon. He hugs himself and with a big smile from the engaging sunlight. Sun and Moon look at each other with excitement.

EXT. MIDDLE OF NOWHERE - NIGHT

From a faraway distance the sun is seen farther up, and the moon is seen moving down.

EXT. SKY - NIGHT

Moon grabs his spyglass again and throws it in the middle of him and Sun.

FLASH!

A blue cloud forms and Moon pushes it towards Sun. Sun looks at the cloud with curiosity and back at Moon. Moon shakes his head yes to Sun, and gestures his hands as a signal for her to come closer to him.

Sun gets on the blue cloud and it motions forward toward Moon. Sun grabs part of the cloud and enjoys the light feeling of it, as it flows away from her hands. Sun is finally next to Moon.

Moon reaches out his hand and Sun tries to grab it.

BOOM!!

A white light flashes as the powerful celestial teenagers move back to their original positions. They both look confused at what just happened.

Determined Sun uses her spy glass and throws it in the air.

FLASH!

A giant solid solar beam appears, blinding Moon.

POOF!

A pair of sunglasses appears next to Moon. He grabs them and wears them. Sun waves her hand signaling for her celestial counterpart to come to her. Moon's hand glows white.

POOF!

A blue star appears near Moon's feet. The young teenager steps on it and begins to slide down the solar beam. As he enjoys the ride and gets closer to Sun, he reaches out his hand. Sun does the same. They get close enough and-

BOOM!

A white light flashes again as the powerful celestial teenagers move back to their original positions.

Awakening again from the incredible blast, Moon and Sun are determined to be with each other. A montage of attempts assure for the two celestial teenagers:

1. Using his powers to form steps in the shape of stars, Moon runs toward Sun.

BOOM!

2. Sun flies like a flaming comet toward Moon.

BOOM!

3. Using his wind powers Moon tries to fly closer to Sun.

BOOM!

4. Sun is seen reaching out her hands, as she is jumping faraway from the sun.

BOOM!

5. Moon is seen reaching out his hands as he is jumping faraway from the moon.

BOOM!

A ticking clock moves fast as time goes by.

Fading to black and returning to the scenery, the sun is now at the top and the moon is at the bottom.

Moon looks sad and notices Sun crying above him. Sun wipes away her tears and stands up to see Moon. She slips a little from the sun and Moon notices.

Moon stands up and reaches his hands out to Sun, gesturing her to jump. Sun shakes her head no, but Moon insists. They both look into each other's eyes for a moment.

Making up her mind, Sun finally closes her eyes and moves back a little. Suddenly she jumps as far as she can from the sun, and Moon jumps out to catch her. They get closer until-

FLASH!

EXT. CLOCK BACKGROUND - NIGHT

White background with moon and sun clocks ticking. Blue and yellow sparkles float around.

Sun opens her eyes and sees Moon smiling at her as he carries her. She's happy as she holds onto him. The two celestial teenagers are seen floating down.

Eventually Moon touches the ground, and let's Sun down gently. Finally facing each other, the two hold out both of their hands and touch.

BOOM!

EXT. MIDDLE OF NOWHERE - NIGHT

Remaining where they are, Sun and Moon hold each other's hands tight and look into each other's eyes. They lean in closer-

KISS.

Finally cementing their relationship, Sun and Moon look up at the sky and smile at what they see. They look back down at each other as they continue smiling.

They both walk off to enjoy each other's company. They leave behind their giant sun and moon, glowing beautifully together, across from each other in the background.

Fades to black.
