EXT. BLUE CASTLE - DAY

Gloomy gray sky. Light snow storm. Army of Blue Knights are seen fighting with green goblin creatures.

CLASH! SWISH! STAB!

A group of goblin creatures are seen ambushing a hidden figure. They try their best to grab a hold of them.

SWOOSH! SWISH! STAB!

The goblin creatures fall down one by one in defeat!

KING MAGNUS (29, heroic king, strong and confident) stands triumphantly with his sword, BLUE DRAGON!

KING MAGNUS
FOR THE BLUE CASTLE!!!

The Blue Knights fight with all their might against their enemies! Swords, spears, and shields from both parties are seen clashing everywhere!

SLASH! STAB! WHOOSH! KICK!

Some Blue Knights and goblin creatures fall in the snow.

SWISH! PUNCH! CLING!

Two Blue Knights tag team to defeat their approaching enemies.

KICK! SLASH! UPPER PUNCH!

Three green goblins fall defeated in the snow. One of the knights looks at the other.

BLUE KNIGHT #1
Where did these things even come
from?!

LOW KICK! STAB! STAB! SWOOSH!

BLUE KNIGHT #2
I don't know. But we must protect
the king and the castle at all
costs!

A group of green goblins jump on the two knights!

GREEN GOBLINS
 AAAAAAAHHHHHHHHHHHHH!

The two Blue Knights continue to fight off their enemies.

King Magnus continues to battle the goblin creatures with his loyal knights!

WHOOSH! CLING! LOW PUNCH!

A sudden opening reveals itself. King Magnus sees his white steed and runs to it.

He jumps on the horse with his BLUE DRAGON! The steed lifts itself up.

WHITE HORSE
 NEEIIIIGGGHHH!!!

King Magnus looks around rapidly. He sees his main foe, GORGONSLASH, (goblin wizard leader, powerful and ruthless) in the snowy sky.

GORGONSLASH
 HA! HA! HA! HA! HA! HA! What's the matter Magnus? Aren't tough enough to handle a fight?!

The king looks at the monster with confidence.

KING MAGNUS
 You call this a fight?! My knights are easily defeating your cowardly goblins one by one. Can't you see the results?

The goblin leader looks at his many defeated, injured, or dead minions in the snow. He looks back at Magnus with anger.

KING MAGNUS
 The next time you want to fight, don't be an armature about it. Bring something that's worth my time, instead of wasting it.

Gorgonslash's face turns red, as he sucks in his cheeks.

GORGONSLASH
 AAAAAAAHHHHHHHHHHHHHHH!!!!

A hot red bust of fire blows out of the monster's mouth! The king dodges the attack!

KING MAGNUS
No need to get hostile.

Gorgonslash gathers his breath as he begins to speak.

GORGONSLASH
How dare an insect like you mock
the great Gorgonslash! You and your
infestation of feeble bugs shall
pay with your lives!!!

The monster raises his hand high. He moves his arm.

SWWWOOOOSSSHHH!

A wide wave of red fire lands on the ground, melting some of
the snow instantly! The fire dims down and disappears,
showing a dark black crust on the ground.

KING MAGNUS
Unbelievable!

Gorgonslash looks over at the current battle, and sees his
army still losing. He frowns and looks at the land past the
kingdom.

He smiles and looks back at his enemy.

GORGONSLASH
Well since I'm not so much of a
challenge for you, I'll burn down
something that will be!

Gorgonslash begins to fly away.

KING MAGNUS
Oh no you don't!

King Magnus prepares to ride.

WHITE HORSE
NNEEIIIGGHH!!!

Magnus looks over at some of his knights.

KING MAGNUS
You three! Come with me. We're
going to finish this fight.

THREE BLUE KNIGHTS
YES SIR!

The Blue Knights quickly gather some horses from the side, and prepare to ride. All three ready, the king gives his command!

KING MAGNUS
LET'S GO!

As the rest of the Blue Knights finish up their battle with the green goblin creatures, the king and his company leaves.

Some of the knights look on at their heroic leader.

INT. WOODS - DAY

Snow covered trees. Logs and branches sticking out from the snow. Small puddles of water on the ground.

The horses gallop fiercely, as the king and his knights catch up to Gorgonslash!

Gorgonslash turns his head to his enemies, as he continues to fly.

GORGONSLASH
HA! HA! HA! HA! You fools will lead
to your own doom!

Gorgonslash flies a little further. King Magnus and his knights ride faster to catch the monster!

KING MAGNUS
Al...most, there...

FLASH!

Gorgonslash disappears!

KING MAGNUS
STOP!!!

WHITE HORSES
NNNNNEEEEEIIIIIGGGGGHHHHH!!!!

The king and his Blue Knights slide down a snowy rough slope into....

EXT. WOODS - DAY

Snow slowly sprinkles down from the sky. Small village ahead.

King Magnus breathes heavy, as he tries to regain what just happened.

KING MAGNUS
Where did he go?

A moment of silence as the snow continues to fall.

BOOM!

Magnus looks to the west and sees a huge red fire with smoke. He notices its the direction of somewhere familiar.

KING MAGNUS
Oh no...

Villagers and farmers are seen running away, from afar. The king quickly turns his head to his knights.

KING MAGNUS
Quickly men! There's no time to lose!

King Mmsgnus and his Blue Knights ride again!

As they ride they try to avoid running villagers and farmers. The horses gallop as fast as they can.

The king and the Blue Knight's enter...

EXT. SERENA'S FARMLAND - DAY

Snow covered farm. Quiet farmhouse. Completely abandoned.

WHITE HORSES
NNNEEEIIIGGGHHHH!!!

King Magnus and his Blue Knights come to a complete halt. The worried ruler turns his head rapidly to find his beloved one.

KING MAGNUS
Where is she?

BLUE KNIGHT #3
Where is who my king?

Magnus blushes as his knights overhear his question. He briefly turns his head to his soldiers.

KING MAGNUS
Um... nothing! I just thought I saw some innocent bystander here.

The embarrassed leader quickly thinks of a plan.

KING MAGNUS

You three, go to the local town and check to make sure Gorgonslash hasn't hurt anyone. If there are any injured civilians, report them to the nearest health facility immediately. Let me know your progress later.

BLUE KNIGHT #4

Okay, but what about you King Magnus?

BLUE KNIGHT #5

Yeah, sir. No disrespect, but you can't possibly think we'll leave you here all alone out here in the snow and with no backup.

KING MAGNUS

You will, if I make this a direct order.

All three loyal knights look at each other and raise their shoulders in confusion.

KING MAGNUS

I appreciate your honor and loyalty my soldiers in blue, but I can handle myself. This isn't the first time your king has been alone in a dangerous fight, and I assure you it won't be the last.

King Magnus turns his horse and himself around with confidence.

KING MAGNUS

Now go! There's no time to lose!
I'll meet you back at the castle
later on tonight. King's honor!

The three knights shake their heads up and down, and salute.

THREE BLUE KNIGHTS

YES SIR!

The loyal blue soldiers leave with their horses in a flash. Magnus smiles as his loyal knights leave with pride.

A moment of silence as the snow continues to gently cover more of the farm.

King Magnus turns his head back around at the silent farmhouse for a moment. He squints his eyes with suspicion.

He turns his attention back to his horse.

KING MAGNUS

Come on ol' boy. Let's go find her.

Magnus leaves with his horse. He heads west.

EXT. OUTSIDE OF TOWN - DAY

Quiet nowhere. Few trees scattered around.

King Magnus leans his head down for a moment.

KING MAGNUS

How could should she not be there?

Magnus looks up again and turns his head back to the quiet town in the opposite direction.

KING MAGNUS

Something doesn't feel right...

Magnus notices the grey sky turning darker, approaching night time.

BOOM!

The suspicious leader turns his head back to the farmhouse.

KING MAGNUS

Again?!

The king rides back again to the farmland.

BOOM! BOOM! BOOM!

Feeling paranoid, King Magnus rushes faster to...

EXT. SERENA'S FARMLAND - DAY

Fiery blasts, turn into black smoke and fade away without a trace. From a distance Magnus notices Gorgonslash hovering in the air.

GORGONSLASH

You foolish scoundrel!

Moving silently to the side a little, the king notices who the monster is referring to. To his shock, he sees SERENA (29, beautiful farmer, weak and scared) tied up and laying in the snowy ground!

Lifting her head up, Serena is seen breathing hard as she has her mouth taped up.

GORGONSLASH
 You told me you didn't know any
 king! I knew you were lying to me!
 I KNEW IT!!!

Gorgonslash forms a fireball in his hand. He throws it.

BOOM!

Serena jumps and barely dodges it, covering herself more in the snow! She gives up and lays her fate on the snowy ground.

The evil monster forms a bigger fire ball in his hand.

GORGONSLASH
 You're finished!

He throws his attack faster!

BOOM!

Smoke covers the area! Gorgonslash tries to catch his breath.

GORGONSLASH
 cough *cough* cough*

The merciless goblin opens his eyes and sees that King Magnus blocked his attack!

GORGONSLASH
 WHAT?!

The smoke completely disappears. An angry Magnus is seen heroically standing and protecting Serena.

KING MAGNUS
 You MONSTER!

The king raises his BLUE DRAGON.

SLASH!

The mighty weapon glows blue, along with the blue gems on his crown.

KING MAGNUS
 How dare you involve her in this!

The king points his sword directly at Gorgonslash.

KING MAGNUS
 You want a fight, than come at me!
 NO ONE ELSE! Especially not her!

Serena opens her eyes slightly. She sees a blurry vision, of what she thinks is her beloved Magnus.

SERENA
 (taped mouth) MAG...NUS...

Serena passes out in the snow.

Gorgonslash smiles at the situation of his enemies.

GORGONSLASH
 Ha ha ha ha ha ha! I didn't know
 you could be so touchy Magnus. Not
 a good look for a king indeed.

Gorgonslash looks at the unconscious Serena.

GORGONSLASH
 This worthless woman panicked as
 soon as she heard me call your
 name. She tried her best to protect
 you by acting like she didn't know
 you, but I knew that you would
 return.

Magnus squints his eyes angrily at the monster.

GORGONSLASH
 You elf people discuss me. Such
 loyalty and care for the most
 unnecessary reasons.

The king prepares his weapon for the next attack.
 Gorogonslash glows his eyes white.

GORGONSLASH
 Prepare to die.

ZAP! ZAP! ZAP!

The king moves his sword.

CLING! CLING! CLING!

King Magnus successfully dodges the attacks.

KING MAGNUS
 Take this! DRAGON STORM!

SWISH!

A blue dragon aurora forms from the sword and strikes Gorgonslash!

BOOM!

GORGONSLASH
Aaaaaaahhhhhhh!!!

The monster flies down rubbing his eyes. He tries his best to see what's happening.

While Gorgonslash tries to regain his sight, King Magnus leans down near Serena.

The fearless blue leader quickly lifts his lover up, and checks her for injuries. He removes the tape off of her mouth.

KING MAGNUS
Darling, are you okay?

Serena finally catches her breath. She gently places her hand on the side of Magnus' face.

SERENA
My hero...

Serena lays back in her lover's arms and happily closes her eyes. Magnus carries his beloved off of the snow.

KING MAGNUS
Don't worry I'll get you out of here.

Magnus begins to run to his white horse!

VOLTAGE BLAST!

KING MAGNUS
AAAAAAAHHHHHHHHHHHH!!!

The king kneels down in pain, still holding Serena. A dark red mark is seen on the left lower side of his stomach.

GORGONSLASH
Where do you think you're going?!

King Magnus turns his head to see his enemy, flying in the air. Smoke fades away from the monster's hand.

GORGONSLASH
You've caused me enough humiliation for one day. Now its your turn!

Gorgonslash raises his hand at Magnus. It begins to glow into a white electrical ball.

GORGONSLASH
Any last words?

King Magnus stares at Gorgonslash disdain. He turns his back to the ferocious wizard.

KING MAGNUS
Blue Dragon, release.

Gorgonslash smiles with confidence at his foe's response.

GORGONSLASH
Ha, ha, ha! That's it?! How pathetic.

UNKNOWN VOICE
RRRRROOOOOAAAAARRRRR!!!!!!

An unknown sound startles the monster. He moves his head in all directions to find it.

GORGONSLASH
What is that?

FLASH!

King Magnus' BLUE DRAGON glows with a blue aurora! It flies in the air and...

UNKNOWN VOICE
RRRRROOOOOAAAAARRRRR!!!!!!

The sword shakes rapidly! Gorgonslash looks at the weapon with surprise.

FLASH!

A GIANT BLUE DRAGON (Magical dragon weapon, gigantic and unstoppable) UNLEASHES!

BLUE DRAGON
RRRRROOOOOAAAAARRRRR!!!!!!

The small magical sword can be seen on the dragon's long neck.

Gorgonslash stares at the dragon, speechless. King Magnus stands tall, carrying his beloved Serena with pride.

KING MAGNUS
I wasn't going to release this on
you, but I've had enough.

BLUE DRAGON
ROAR!

KING MAGNUS
Blue Dragon, finish him.

Scared for his life, Gorgonslash tries to fly away!

SNATCH!

Blue Dragon holds Gorgonslash tight enough for him not to
escape. The giant creature stares at the goblin closely.

Blue Dragon takes in a deep breath, and its cheeks begin to
glow white.

BLUE DRAGON
RRRRRRROOOOOOAAAAAAAAARRRRRR!!!!!!

A bright white beam of light unleashes from Blue Dragon's
mouth! The giant dragon stops.

A dark crusted Gorgonslash is seen in the claws of Blue
Dragon. King Magnus stares at his weapon and Gorgonslash.

KING MAGNUS
Its finally over.

The dark crust of Gorgonslashes turns into ashes. Blue
Dragon releases its claws, letting the ashes blow away and
fade in the snowy air.

The giant blue creature stares down at its master.

KING MAGNUS
Blue Dragon, detain.

Blue Dragon closes its bright white eyes and turns into a
blue silhouette.

FLASH!

The BLUE DRAGON appears in the air and drops down. The sword
lands on the snow, next to King Magnus.

King Magnus stares at his sword for a moment, then turns his
attention to Serena's farmhouse. He begins to gradually walk
silently to her home.

The BLUE DRAGON lays alone, beginning to be covered by snowflakes.

Serena begins to open her eyes again. She moves her head a little from Magnus' chest.

SERENA
Magnus, sweetheart...

KING MAGNUS
Its okay Serena. Everything is back
to normal.

The king approaches the farmhouse door.

KICK!

He enters in.

INT. SERENA'S FARMHOUSE - DAY

Darkish grey interior. Brown furniture. Curtains open, showing the gentle snow from outside.

King Magnus continues to walk forward, carrying Serena into the next open room.

INT. SERENA'S ROOM - DAY

Pink room. One medium red bed. A tan drawer and a white night stand with a yellow lamp.

King Magnus walks to the side of Serena's bed. He gently lays her down on it. Serena looks at her king lovingly.

SERENA
Thank you, for everything.

Magnus kneels down and places his hand on his lover's cheek. He stares deeply into her eyes.

KING MAGNUS
There isn't anything I wouldn't do
to keep you safe. Never forget
that.

The blue leader stands up.

KING MAGNUS
I'll return in less than an hour.
Just rest my dear.

Serena nods her head. King Magnus smiles at her in return and begins to walk away.

Serena looks on as her hero leaves the room. King Magnus gently closes the door.

INT. SERENA'S FARMHOUSE - DAY

King Magnus looks back at the closed door for a moment. He stares outside at the open front door.

He notices his BLUE DRAGON still in the snow, and his white steed patiently waiting for him.

He walks forward to return to the snowy landscape. He closes and locks the door.

EXT. SERENA'S FARMLAND - DAY

The snow finally stops falling.

Magnus picks up his BLUE DRAGON and puts it away. He hops on his white horse, and prepares to ride.

KING MAGNUS

Okay, let's go!

The heroic blue leader leaves in a flash!

EXT. BLUE CASTLE - NIGHT

Navy blue night sky. Snowy landscape. The Blue Castle door is wide open, showing the bright interior light pouring out into the night.

The three Blue Knights from before are seen regrouping with their king. King Magnus is seen with a large bag on his back, and near his steed.

The blue soldiers stand confidently. They take off their helmets, as they look toward their leader.

BLUE KNIGHT #4

Sire, there were no injured locals in the town. We checked three times.

BLUE KNIGHT #3

Agreed. Only a few were startled and actually heard the loud explosion. They told us and returned to their daily routines.

BLUE KNIGHT #5

We returned to the farmhouse, but didn't see you or Gorgonslash

(MORE)

BLUE KNIGHT #5 (cont'd)
around my king. We figured you
might have returned to the castle.

BLUE KNIGHT #3
So we came back, awaiting your
return. We came back just an hour
ago.

King Magnus pets his horse and turn his head to his
soldiers.

KING MAGNUS
Good. Excellent work as always my
knights! You shall be rewarded
greatly when I return.

The three knights look at each other in confusion.

BLUE KNIGHT #4
Return, sir?

KING MAGNUS
Yes, return.

BLUE KNIGHT #5
King Magnus, what about
Gorgonslash?

KING MAGNUS
He's gone for good. He was
destroyed completely by Blue
Dragon.

The knights look at their king in shock.

BLUE KNIGHT #3
Okay... But sire where are you
going now?

BLUE KNIGHT #4
Did someone get hurt on your end
sir? If they did, please, let us
assist.

King Magnus looks to the side. He makes sure his cape covers
his wound on his stomach, out of sight from his soldiers.

KING MAGNUS
No. I'm just going out to run a
late errand.

The king hops on his horse and prepares to ride.

The Blue Knights turn their heads to each other and nod in agreement. One of the knights, walks forward to their leader.

BLUE KNIGHT #5

With all due respect King Magnus,
you've been making some, uh...
unusual decisions lately. We're not
trying to invade, but we are
concerned about you sir.

The other two Blue Knights step forward.

BLUE KNIGHT #3

And its not just us my king, many
other knights are concerned too.

BLUE KNIGHT #5

We can tell you're hiding something
from us, but at the same time we
don't want to invade your privacy.
Please sir, just be honest with us.

King Magnus leans his head down, unable to face his loyal soldiers.

KING MAGNUS

You're right, I am hiding
something.

The knights look surprised, as their leader agrees with them.

KING MAGNUS

I'm experiencing something very
special at the moment. It's
something very beautiful and
delicate for me right now.

Magnus begins to blush as he continues on.

KING MAGNUS

Though I can't explain myself
fully, I want you all to understand
its something very precious and
important to me.

The king turns his head fully towards his knights.

KING MAGNUS

But I promise, everything will be
clear in due time.

Satisfied with their king's answer, the Blue Knights nod their heads and bow with respect.

KING MAGNUS

Thank you. I will return between tonight and tomorrow morning. If I don't return by tonight, don't wait up for me. Just lock down the castle, and make sure there are guards on patrol during the night.

THREE BLUE KNIGHTS

Yes sir!

The three Blue Knights salute their king.

WHITE HORSE

NEIGH!

King Magnus rides again!

The Blue Knights watch on, as their leader fades away in the dark.

EXT. SERENA'S FARMLAND - NIGHT

Starry night. Crescent moon. Snowy landscape with a cold breeze.

King Magnus' white horse stands tall, as its white mane blows calmly in the breeze.

INT. SERENA'S ROOM - NIGHT

The yellow lamp is lit bright. An opened health kit is seen on Serena's night stand.

With bandages around her face and arms, Serena leans down to the health kit. She takes a long bandage and walks forwards to a shirtless Magnus.

The young beautiful farmer is seen more happy and mobile, as she wraps up her king's injury on his stomach. The fearless blue leader has his arms up tall.

KING MAGNUS

You know you could be a good nurse if you really wanted to.

Serena smiles at Magnus' response.

SERENA

You're too generous my king.

Serena finishes wrapping the injury.

SERENA

There we go. Perfectly sealed.

Serena moves away and places her hand on Magnus' chin. She draws him closer.

KISS.

She gestures away and looks at Magnus.

SERENA

And perfectly healed.

Magnus chuckles at his lover's response.

KING MAGNUS

At least now we are healing together.

Serena lifts up her shirt a little bit from the bottom. Smaller bandages are seen around her stomach.

The two lovers hold each other's hands.

BLAST!

Serena notices the noise coming from her living room. She quickly goes to check on it. Magnus follows her.

INT. SERENA'S LIVING ROOM - NIGHT

Light gray couch. Fireplace. Screen doors.

Serena smiles as she sees a giant fire in town. She can see and hear people celebrating and going near the fire.

Magnus stands next to Serena staring at the fire.

SERENA

Its an annual event.

The king looks at Serena.

SERENA

Its a celebration of warmth and happiness that they made it through another year.

Serena walks closer to the screen door. She places her hand on it.

SERENA

The people of this town are lower class. They don't have much to survive on or support off of. Mainly they rely on each other.

Serena turns her head to Magnus.

SERENA

This fire you see is their symbol of life. A sort of... "Fiery Blaze," as they would say.

King Magnus looks at the intense fire, hypnotized by it.

KING MAGNUS

Its beautiful...

Serena smiles at her lover's response, as she stares back at the fire.

KING MAGNUS

Thank you for showing me this. I didn't know about this town's struggles. I shall do everything in my power to support and provide supplies for them.

SERENA

And you'll do an excellent job at it, like always.

The king blushes at Serena's response. Serena moves away from the screen door and walks toward the couch.

She sits down, with Magnus' crown next to her. She takes a white cloth and begins wiping it.

SERENA

This crown has been through a lot today.

Serena stops wiping, to view the shiny crown sparkling from the burning flames of the fireplace.

Magnus walks toward the couch and silently sits on the other end of it. He stares at the bright flames of the fireplace.

SERENA

Well I guess its time for you to
leave my dear.

King Magnus suddenly turns his head to Serena.

Serena gently places the royal crown on her king's head. She places her hands on his cheeks.

SERENA

Perfect fit.

Completely hypnotized by her presence, King Magnus slowly takes Serena's hand, and leans forward.

KISS.

The romantic kissing lasts for a moment, as only the crackling flames from the fireplace can be heard.

The lovely couple separate and stare deeply into each other's eyes. From Magnus' eyes, Serena sees a romantic hypnotizing fire.

The lovebirds lean close and continue kissing. Magnus' crown begins to slip from his head. The crown falls to the floor.

THUD!

Not paying attention to the fallen crown, the couple continue to make out on the couch.

Holding each other tightly, Magnus leans forward on top of Serena. The couple slowly fades away on the couch.

Centering the attention on the burning fireplace, the camera pans out to the reflection of the Fiery Blaze on the screen door. The Fiery Blaze burns taller then the flames of the fireplace.

Fades to black.
